Travel Stuff

Cheap Tickets

Search online for published airline flights and fares and thousands of discounts exclusive to Cheap Tickets. Be your own Travel Agent and book flights in minutes.

Expedia

Purchase airline tickets, make hotel and car reservations, find out what the Franc is worth today, or scout your next trip with the World Guide. And check out the "fare tracker," which will send you regular e-mail about flights of interest.

Flifo

The site uses the same airline booking technology of other travel sites and has a "fare beater" option that searches for flights that are close to your first choice.

Internet Travel Network

It uses a list of affiliated travel agents to actually issue the ticket. The service is free. ITN has a neat fare ticker that can be put on your desktop and continually flash fares to destinations.

Places to Stay.com

Real-time rates and reservations for hotels, bed & breakfasts, and resorts worldwide.

Preview Travel

A leading provider of online travel services for leisure and small-business travelers. It offers one-stop shopping for airline tickets, car rentals, hotels, vacation packages

and cruises, as well as integrated access to travel information, news and resources.

Priceline

Name your price for airline tickets and hotel rooms and they'll respond within an hour if they can meet your price. But read the restrictions before you bid because if your bid is accepted, you bought it!

TheTrip.com

The place for business travelers. This site covers everything from flight availability, reservations and real-time flight tracking to where to stay and what to do when you arrive.

Travelocity best of the net

Buy airline tickets, get details on worldwide destinations, browse through interests ranging from restaurants and concerts to golf courses and theater. Their 'Best Fare Finder' is very useful. Instead of trying different dates to find the lowest fare, this feature let's you start with the lowest available fare and work backwards to pick the available dates.

TravelWeb

A very good general travel site. Book both hotel and airline reservations. And check out their 'Click-it! Weekends' section for hotel chains that offer their absolute lowest published rates for the coming weekend on hotel rooms around the world.

Travel Accessories & Clothing

Bentley's Luggage & Gifts

One of the USA's largest chain of luggage and gift stores.

Christine Columbus

Christopher Columbus may have discovered the New World, but it was Christine who packed his bags,* declares this lively, information-packed site of clothing and gear aimed at women travelers.

Le Travel Store

Catalog company that sells a line of lightweight, wrinkle-free travel gear.

Road Warrior Outpost

They don't call them warriors for nothing. There are dangers a-plenty when traveling with your laptop

computer. But at this site, you can connect it, protect it, even upgrade it!

Travelsmith

Catalog company that sells a line of lightweight, wrinkle-free travel gear.

Walkabout Travel Gear

Now here's a refreshing concept: An Internet travel site that shuns high-tech features, figuring that customers want straightforward information without whistles and bells. The online catalog features gear for active, independent travelers.
